UPDATE

Dr. Phillips Center for the Performing Arts is Taking Center Stage!

The Dr. Phillips Center for the Performing Arts will transform Central Florida's cultural, economic and community landscape. With the mission of being inclusive – serving as the “family room” for the entire region – virtually every culture, interest and walk-of-life will be embraced.

Please join us for a first-hand look at how this much anticipated project is unfolding, leading up to groundbreaking this fall. Most importantly, learn how you can be a part of it all!
